hips	35	36	37	38	39	40	41.5	43	44.5

measuring:

bust: measure under the arms at the fullest part of the bust. Keep tape level across your shoulder blades.

natural waist: measure around the natural waistline, keep the tape comfortably loose

drop waist: measure around your body 1 ½ inches under the natural waist

hips: stand with your feet together and measure around the fullest part of the hips, keep tape straight

inseam: on a favourite pair of well-fitting pants measure from the crotch to the bottom of the leg
